About Escape Bangladesh Limited

- ❑ Our Main focus in power oil & Gas sector, project contracting, and support services
- ❑ We have built-up a core team of professionals in-house who have diversified technical backgrounds, knowledge, and practical experience to provide the depth of expertise in various disciplines to assist in the planning, development and implementation of national and localized projects.
- ❑ Most of our Engineers have long working experience in different Government and semi-government organizations and have hands-on experience in execution of many large projects in the public sector.

- ❑ Escape Bangladesh Ltd. offers a full range of support services in offshore oil and gas surveys, specialized and general civil construction, and customs brokerage.
- ❑ Over the years we have prioritized establishing long-term relationships with all our partners for sustainable growth.
- ❑ Our long-standing relationships with the National Board of Revenue (NBR), the Board of Investment(BOI), Chief Controller of Import and Export, Customs, Department of Passport and Immigration Department, and Bangladesh Central Bank -allows us to offer a complete service package to our clients, right down to handling visa extensions and renewing work permits.

International Freight Forwarding

We Make The World Smaller For You

Take your business across the border with our reliable and competitive international freight forwarding services.

As a leading global forwarder, Escape Bangladesh Ltd specializes in providing door to door freight transport both inbound to, and outbound from Bangladesh to any port of the world. Working in partnerships with the best in class carriers and partners, nothing is too big or too small for us to ship around the world for you.

Our scope of freight services includes:

- * Air Freight
- * Ocean Freight
- * Road Freight

Our standard freight services can be used individually; or be integrated with our [warehousing and distribution](#) solutions, and [international and domestic express](#) services for the ultimate convenience and consistency of a seamless and centralized one-stop solution. All our services are fully integrated with our leading-edge IT platform which allows for total visibility and traceability of your shipments.

No matter which mode of transport you opt for, customs regulations, duties and taxes will come into play. Our freight forwarding experts will navigate the complexities of country-by-country export and import requirements and documentations, and assist you on every aspect of the freight processing. Customs brokerage and clearance? Insurance coverage? Compliance checks? None of these will be tough and laborious tasks when you choose to partner with Escape Bangladesh Ltd.

In our efforts to cater to your unique business needs and strategies, we also provide flexible and innovative multimodal and multimodal solutions that are custom-built based on your specific cost, transit time and routing requirements.

Choosing the right mode for your shipment can be tricky. [Let us help you](#) find your perfect solution with ease and expertise.

2.1 Ocean Freight Transportation

When you have ocean freight professionals matching frequent sailings and flexible service options to your specific business objectives, you have the Escape Bangladesh Ltd brand of personal service.

Our ocean freight management experts partner with you to learn your business first-hand. Equipped with an intimate understanding of your supply chain requirements, we pull from a range of standard ocean freight services and supplementary options to secure the space allocation, timing, frequency and rates that fit your precise objectives. Whether we need to reserve an oversize container or securely transport your high-value cargo, Escape Bangladesh Ltd ocean freight specialists treat each shipment with the care and attention it takes to earn your trust.
